

## Gondwana Leaders Meeting

2015-06-06

[1]<Nylinna Nyhila> welcome to the last meeting before heavensward ;)

[1]<Kami Kaze> im not a delivery moogle

[1]<Nylinna Nyhila> ty all for coming :)

[1]<Nylinna Nyhila> so, leaders first...

[1]<Nylinna Nyhila> After our last meeting, i've talked to Kazuki, who has been a young elm for ages now

[1]<Nylinna Nyhila> It seems he's more and more busy irl

*Ezzy Sam hurls something at the baby opo-opo.*

[1]<Nylinna Nyhila> he doesn't use the website a lot (so I spend my time running after him) and he never went to ay meeting

[1]<Nylinna Nyhila> Kazuki helped for the coil (in game and he posted a guide on the website)

[1]<Nylinna Nyhila> but he didn't did the tasks who were given to him

[1]<Nylinna Nyhila> I think it's better to stop the "leader on trial" experience with him

*You nod.*

[1]<Nylinna Nyhila> if no one has anything to add, i'll talk to him asap

*Ezzy Sam shake her head*

[1]<Inzoum Zimia> I think he's had more than enough chances but hasn't proved himself up to the task

*Bobbin Threadbare: sorry late ^^;*

[1]<Nylinna Nyhila> ok, that it than

*Ezzy Sam looks at Bobbin Threadbare in surprise.*

*Nylinna Nyhila: welcome bob*

*Bobbin Threadbare: Thank you. ^^*

[1]<Nylinna Nyhila> then\*

*Scar Undutchable waves to Bobbin Threadbare.*

*Kami Kaze: u forgot to pay the entrance fee*

[1]<Nylinna Nyhila> regarding to Vodka's absence at this meeting

[1]<Nylinna Nyhila> 1) he has internet issues atm

[1]<Nylinna Nyhila> 2) he's not at home this weekend

*Bobbin Threadbare: u already rub me to things unmentioned. lol*

[1]<Nylinna Nyhila> so he has a good reason to not be here

*Bobbin Threadbare bows courteously to Scar Undutchable.*

*Scar Undutchable bows courteously to Bobbin Threadbare.*

*Scar Undutchable strikes a pose.*

[1]<Nylinna Nyhila> when he announced me he would have to take a break from the game for medical reason, he mentionned maybe he couldn't continue to be a leader

[1]<Nylinna Nyhila> i told him "let's wait and see"

[1]<Nylinna Nyhila> I'll have to ask him soon how things are evolving for him

[1]<Nylinna Nyhila> Now  
[1]<Nylinna Nyhila> we have 2 Young Elms here  
[1]<Nylinna Nyhila> In my opinion, Bob and Ezzy, you totally accomplished your tasks as leaders  
[1]<Bobbin Threadbare> thx :)

*Ezzy Sam smiles.*

[1]<Nylinna Nyhila> also, you are active on the website  
[1]<Nylinna Nyhila> I see no reason to not promote you to the Guardian Elm rank

*Scar Undutchable cheers Bobbin Threadbare on!*

[1]<Nylinna Nyhila> Has any leader anything to add?

*Scar Undutchable cheers Ezzy Sam on!*

[1]<Kami Kaze> put some clothes on?

[1]<Inzoum Zimia> finally people we can count on XD

[1]<Nylinna Nyhila> great :)

[1]<Bobbin Threadbare> I have no objection so far :)

[1]<Bobbin Threadbare> lol

[1]<Scar Undutchable> ...

[1]<Ezzy Sam> But i like being YOUNG :P

[1]<Bobbin Threadbare> oh no. the "clothing optional" still stays. lol

[1]<Bobbin Threadbare> tho i will be in proper for important stuff

*Scar Undutchable congratulates Bobbin Threadbare.*

*Scar Undutchable congratulates Ezzy Sam.*

*Bobbin Threadbare bows.*

*Ezzy Sam bows.*

*Bobbin Threadbare congratulates Ezzy Sam.*

*Ezzy Sam claps for Bobbin Threadbare.*

**Bobbin Threadbare is assigned the rank “□ Guardian Elm □.”**

**Ezzy Sam is assigned the rank “□ Guardian Elm □.”**

*Nylinna Nyhila claps for Ezzy Sam.*

[1]<Bobbin Threadbare> still, sorry for stuff I'm doing bad with ^^;

*Nylinna Nyhila claps for Bobbin Threadbare.*

[1]<Inzoum Zimia> trust me, you're doing great

[1]<Nylinna Nyhila> lol what? :P

[1]<Bobbin Threadbare> sometimes I tend to take things not serious enuff ^^;

[1]<Nylinna Nyhila> lol, which is not a problem ;)

[1]<Ezzy Sam> <--- slacking sometimes

*Kami Kaze: now please pay the fee for promotion that would be 1 mil in gil*

*Bobbin Threadbare bows courteously to Nylinna Nyhila.*

[1]<Nylinna Nyhila> anyway, let's continue

*Ezzy Sam: lol*

[1]<Scar Undutchable> all have that ..

Bobbin Threadbare: that rubbing alone already cost u 100 mil gil, kami. lol

[1]<Nylinna Nyhila> Inzy and i will be absent from the 15th to the 22nd of June

Bobbin Threadbare: so... u owe me 99 mil. lol

Kami Kaze: again that wasnt me

Bobbin Threadbare: yea right. lol

[1]<Nylinna Nyhila> I expect things to be taken care of during our absence :P

Bobbin Threadbare: u think i didn't know what u did to me while i'm "resting"? lol

[1]<Nylinna Nyhila> so some of you will get temporary additional tasks

[1]<Nylinna Nyhila> Kami will be the only oak for a week, so he's your "person of reference" while we're absent

[1]<Kami Kaze> week of "no rules" >.>

[1]<Nylinna Nyhila> As you have full access to the chest, kami, I will ask you to keep the FC chest spreadsheet updated

[1]<Scar Undutchable> lol

*Nylinna Nyhila slaps Kami Kaze.*

[1]<Bobbin Threadbare> its too bad tho, but I hope u enjoy ur travels ^^

[1]<Nylinna Nyhila> Inzy or i will show you what has to be done if necessary

[1]<Kami Kaze> k

[1]<Nylinna Nyhila> ty Bob :)

[1]<Inzoum Zimia> yeah, we'll miss most of early access but it should be a fun trip

*Ezzy Sam agrees wholeheartedly with you.*

[1]<Nylinna Nyhila> ofc, don't want kami to carry everything on his shoulders, so, to the other leaders : please assist when necessary

*Scar Undutchable cheers you on!*

*Scar Undutchable cheers Nylinna Nyhila on!*

[1]<Bobbin Threadbare> oh no... lol

[1]<Bobbin Threadbare> anyone else beside kami? lol

[1]<Nylinna Nyhila> Regarding to the members, I'll sort the list and send the last messages/ adjust the ranks before I go

[1]<Nylinna Nyhila> yes bob, let me continue ;)

[1]<Bobbin Threadbare> haha k

[1]<Nylinna Nyhila> I think not too many things should be done with that, but still someone has to keep an eye on the members ;)

[1]<Nylinna Nyhila> reminder : this is every leader's duty to welcome the new members properly

[1]<Nylinna Nyhila> [http://www.gondwana.cc/forum\\_threads/2014600](http://www.gondwana.cc/forum_threads/2014600)

[1]<Nylinna Nyhila> however, i'd like one people to make sure everything has been done (the messages sent, etc.)

[1]<Kami Kaze> "Welcome to the DARKSIDE!" "Want a cookie?"

[1]<Nylinna Nyhila> Bob, you did well when frost arrived so it will be your task

Kami Kaze: nyli hit ESC

[1]<Nylinna Nyhila> you'll have to check that : he's been told about the website, he visited the house and has been told about what we offer (workbenches, chocobo food, website etc.)

*Nylinna Nyhila slaps Kami Kaze.*

Nylinna Nyhila: that's the purpose of targetting you, Kami ;)

[1]<Nylinna Nyhila> also

*Kami Kaze pokes Bobbin Threadbare.*

*Kami Kaze pokes Bobbin Threadbare.*

**Bobbin Threadbare has logged out.**

*Ezzy Sam hurls something at Kami Kaze.*

[1]<Nylinna Nyhila> damn...

[1]<Inzoum Zimia> lol

Ezzy Sam: u supern poked bob out of the server...

[1]<Kami Kaze> my finger killed him

[1]<Nylinna Nyhila> just when I was explaining his task :P

[1]<Nylinna Nyhila> anyway, let's continue, i'll remind him later

[1]<Nylinna Nyhila> after the meeting

[1]<Inzoum Zimia> yeah, think that's best

*You beckon to the nutkin.*

[1]<Nylinna Nyhila> also, i expect some mossy sapling to come back, so they must be given back their former rank (that's noted on the spreadsheet)

**Bobbin Threadbare has logged in.**

*Ezzy Sam beckons to the wind-up succubus.*

[1]<Nylinna Nyhila> wb bob :)

[1]<Bobbin Threadbare> thx. dunno what happen with my conns ^^;

[1]<Kami Kaze> my finger

[1]<Bobbin Threadbare> :p

[1]<Nylinna Nyhila> i'll explain you more in details yours tasks while i'm absent but it's related to the members, as you've certainly understood

[1]<Nylinna Nyhila> I think you may have enough tasks with that

[1]<Nylinna Nyhila> so i was thinking : Ezzy could you handel the aetherial wheel in addition to the activation/purchase of the FC buffs?

[1]<Nylinna Nyhila> handle\*

[1]<Ezzy Sam> yea sure, gonna need Bob teach me how to handle it :P

[1]<Bobbin Threadbare> oh sorry, think i missed that part. haven't caught what assignment u want me too

[1]<Bobbin Threadbare> lol it's ezzy XD

[1]<Kami Kaze> will tell u after the meeting

[1]<Nylinna Nyhila> they could be crafted in advance, you you'd only need to put them in placce and check, etc.

[1]<Ezzy Sam> of cozzzzz :P

[1]<Bobbin Threadbare> k  
[1]<Nylinna Nyhila> as I said, i'll let you know about your assignment later bob  
*Ezzy Sam beckons to the wind-up succubus.*  
[1]<Bobbin Threadbare> ok  
*Ezzy Sam weeps in sorrow before the wind-up succubus.*  
[1]<Nylinna Nyhila> ok, so ty ezzy  
[1]<Nylinna Nyhila> Scar  
[1]<Scar Undutchable> yes ?  
[1]<Bobbin Threadbare> but... i want to let you know in advance that I'm afraid I can't deal with anything related to gardening due to rl issues ^^;  
[1]<Inzoum Zimia> no worries, nothing of the sort  
[1]<Nylinna Nyhila> Noomy proposed to make some not-too-high-lvl-food for heavensward, as any bonus will be welcome  
[1]<Bobbin Threadbare> I can try assist, but not serious stuff :)  
[1]<Bobbin Threadbare> thx ^^  
[1]<Nylinna Nyhila> (gardens are open to everyone atm Bob, so no one needs to really take care of them)  
[1]<Nylinna Nyhila> Scar, i'd like you and Noomy to take care of that  
[1]<Nylinna Nyhila> make sure there is some "easy" usefull food n the chest  
[1]<Scar Undutchable> sorry what missed something i think ....  
[1]<Nylinna Nyhila> it can be purchased if not too expensive  
[1]<Scar Undutchable> oh ok making low food stuff  
[1]<Ezzy Sam> sun lemon is very easy to obtain :P  
[1]<Kami Kaze> not too low  
[1]<Inzoum Zimia> yeah, for 3% exp buff while levelling  
[1]<Nylinna Nyhila> well, not low, but lvl 50 food  
[1]<Nylinna Nyhila> or so  
[1]<Kami Kaze> can start with lvl30 food  
[1]<Nylinna Nyhila> no need to make very high lvl recipes  
[1]<Bobbin Threadbare> most food does have 3% xp buff anyways. lol  
[1]<Inzoum Zimia> not most, all food  
[1]<Kami Kaze> afk laundry  
[1]<Bobbin Threadbare> yeah, i haven't checked all, so it's safe for me to say some. lol  
[1]<Bobbin Threadbare> but thx for confirming that ^^  
[1]<Scar Undutchable> yeah btw ,waiting for birthday and ,money for Heavensward ....  
[1]<Bobbin Threadbare> lol laundry in mid of meeting?  
[1]<Nylinna Nyhila> well, your birthday is very soon ;)  
[1]<Ezzy Sam> @. @  
[1]<Bobbin Threadbare> in case I missed it, HP birthday in advance XD  
[1]<Nylinna Nyhila> indeed...

[1]<Scar Undutchable> but waiting on vacation money

[1]<Nylinna Nyhila> nope it's on the 10th of june if i remember well :)

[1]<Scar Undutchable> yes it is :)

[1]<Bobbin Threadbare> ah...

[1]<Nylinna Nyhila> so

[1]<Inzoum Zimia> let's focus on the topic ;)

[1]<Nylinna Nyhila> Scar and Noomy's tasks : make sur we have some good food in the chest

[1]<Scar Undutchable> alright

[1]<Nylinna Nyhila> if it not expensive, you can buy it and ask kami to reimburse you

[1]<Nylinna Nyhila> To everybody :

[1]<Bobbin Threadbare> I have q regarding of food: are there any problems if supplying quite high level ones? that includes 2\* foods?

[1]<Ezzy Sam> u can ask me to acquire the materials if u need

[1]<Scar Undutchable> i rather make it to lvl

[1]<Nylinna Nyhila> please check the stable and clean it if necessary

[1]<Bobbin Threadbare> k

[1]<Scar Undutchable> doing already ...

[1]<Scar Undutchable> iff i see i do clean

[1]<Bobbin Threadbare> ditto. lol

[1]<Nylinna Nyhila> no bob, i just don't want us to loos too much energy on that

[1]<Nylinna Nyhila> I know Scar and ty :)

[1]<Bobbin Threadbare> ummm... what energy?

*Ezzy Sam pokes Bobbin Threadbare.*

[1]<Inzoum Zimia> no point in using 3 star food for just the 3% exp buff when dried prunes does the same thintg

[1]<Nylinna Nyhila> crafting requires time ;)

[1]<Bobbin Threadbare> well...

[1]<Nylinna Nyhila> well, the stats are good to take inzy

[1]<Nylinna Nyhila> but yeah, no point to make 3 star food, it's more expensive and requires more time

[1]<Nylinna Nyhila> anyway

[1]<Inzoum Zimia> sure, but let's not be wasteful

[1]<Ezzy Sam> and live letters said, u can solo open world maps... 2/3 mobs gonna kill u..

[1]<Bobbin Threadbare> while I kinda understand that concern, at least up to 2\* crafts are quite easy nowadays, including mats. and even hqing them. And I bet when we got more geared in 3.0, they become super easy XD

[1]<Nylinna Nyhila> next topic except if someone has something to add

[1]<Scar Undutchable> btw i will be gone for a bit on 11:00 must do shopping before 12:00 because i turn into a lobster

[1]<Bobbin Threadbare> oh no, 3\* still a bit too much tho. lol

[1]<Inzoum Zimia> encourage our members to use food for faster exping in heavensward, make sure there's some decent food available but don't kill yourself making the very best of the best for that purpose

[1]<Bobbin Threadbare> lol k

[1]<Inzoum Zimia> let's move on

[1]<Bobbin Threadbare> ok

*Nylina Nyhila: 0.0 ... then you'll miss the most important part, Scar*

[1]<Nylina Nyhila> oh, forgot 1 thing : inzy, please sort the chest before we go

[1]<Nylina Nyhila> now, next topic : new ranks

[1]<Inzoum Zimia> I already took out a lot of the crap with Ligeia this morning

[1]<Inzoum Zimia> I'll do it again right before we leave

*Ezzy Sam smiles at you.*

[1]<Kami Kaze> back

[1]<Bobbin Threadbare> lol dat was quick laundry. wb tho

[1]<Nylina Nyhila> wb Kali

[1]<Nylina Nyhila> Kami\* :P

[1]<Nylina Nyhila> so, the new ranks!

[1]<Nylina Nyhila> I think you all know the the astronomy theme as won

[1]<Nylina Nyhila> so the nex ranks will be (be silent please)

[1]<Inzoum Zimia> SHHH, here she comes

[1]<Nylina Nyhila> there will be a few changes on the website too

[1]<Kami Kaze> Derp Drake (Kami Kaze special)

*Ezzy Sam claps for Hale Storm.*

[1]<Hale Storm> excellent suggestion kami

*Hale Storm bows.*

*Scar Undutchable consoles the Nana bear.*

[1]<Nylinna Nyhila> the dormant/mossy people will keep their official name on the website, it will be FC only

[1]<Hale Storm> well, most of us helped with titles

[1]<Nylinna Nyhila> Also, i was wondering, and for that, I need your opinion

[1]<Hale Storm> name or rank?

[1]<Nylinna Nyhila> rank

[1]<Hale Storm> sounds ok with me

[1]<Nylinna Nyhila> ty for the correction noomy

[1]<Hale Storm> np, its easy to confuse me XD

[1]<Hale Storm> 7sh BAD DODO! dun po0p on the table!

[1]<Nylinna Nyhila> I'm also thinking about making only one category on the website for Zenith, Azimut and Horizon drakes

[1]<Hale Storm> fail

*Hale Storm expresses her annoyance with the fledgling dodo.*

*Ezzy Sam gently pats the fledgling dodo.*

[1]<Nylinna Nyhila> (less work when promoting ppl :P)

[1]<Nylinna Nyhila> what do you think? would it be ok to be lazy with that?

[1]<Hale Storm> hm

*Ezzy Sam smiles at Nylinna Nyhila.*

[1]<Hale Storm> needs a combined name

[1]<Nylinna Nyhila> well, they're all drakes

[1]<Nylinna Nyhila> and they all have the same permissions on the website

[1]<Inzoum Zimia> yeah, roll them all up under drake on the website

[1]<Hale Storm> Zemuzon Drake

[1]<Hale Storm> > genius

[1]<Nylinna Nyhila> lol that's cool Noomy ;)

[1]<Hale Storm> why ty lol

[1]<Nylinna Nyhila> regardng to the change of rank itself

[1]<Bobbin Threadbare> haha i have no idea what that means

[1]<Nylinna Nyhila> I'll do that when i'll be back from holiday

[1]<Hale Storm> 2 letters from each rank of the 3

[1]<Hale Storm> more or less

[1]<Hale Storm> but im pretty sure u guys can come up with something cool too

*Hale Storm slaps the fledgling dodo.*

*Hale Storm laughs at the fledgling dodo.*

[1]<Nylinna Nyhila> ZE(nith)(azi)MUT(h)(hori)ZON

[1]<Hale Storm> ^

[1]<Nylinna Nyhila> seems a good idea

[1]<Nylinna Nyhila> anyway

[1]<Bobbin Threadbare> oooo

[1]<Bobbin Threadbare> nice ^^

[1]<Scar Undutchable> Zonzemuth

**Hale Storm: just realized the bob man wearing clothes....or is it a bathrobe?**

[1]<Nylinna Nyhila> i'll post the change of ranks on the website whe i'l go back from holiday and i'll change the ranks in game on the 23rd

*Ezzy Sam nods to Hale Storm.*

*Hale Storm nods to Ezzy Sam.*

[1]<Nylinna Nyhila> Now the topic bob and ezzy are waiting for

[1]<Nylinna Nyhila> FC buffs

**Inzoum Zimia: he got caught in the curtains and ripped them off**

[1]<Nylinna Nyhila> Bob, go ahead

**Hale Storm: lol makes sense**

[1]<Bobbin Threadbare> oh... not much. think I already explain that in meeting mails

[1]<Kami Kaze> now type the whole thing again

[1]<Inzoum Zimia> XD

[1]<Bobbin Threadbare> But like I said, I was quite staggered when I 1st joined this fc, since it's just way too low

[1]<Bobbin Threadbare> and now with HW coming, I kinda suspected lots of content that will requires fc credits, and I'm afraid we're quite short of it

*Ezzy Sam nods to Bobbin Threadbare.*

[1]<Nylinna Nyhila> we have 270k FC credit atm

[1]<Inzoum Zimia> "too low" is very relative, considering there's currently no other use for these. Up to now, I'd just say every other FC is stingy, not that we're extravagant

[1]<Bobbin Threadbare> so I was suggesting on saving them more, maybe not doing so much fc buff activation in time being

[1]<Hale Storm> imo, saving up for something & not spending is pointless. but i do see your point bob. at the time we started spending credits there wasnt much info on what to save up for future use.

[1]<Bobbin Threadbare> 270k are not really big. kinda small-ish ^^;

[1]<Nylinna Nyhila> do you have anything to add ezzy?

[1]<Bobbin Threadbare> yep Inzy, it's extravagant. lol

[1]<Hale Storm> is true but we not a very big FC, and our current Credits been more or less stable since start

[1]<Bobbin Threadbare> very... extravagant

[1]<Inzoum Zimia> well, I'll say one thing about this, Bobbin

[1]<Bobbin Threadbare> err... not true ny

[1]<Nylinna Nyhila> lol, i think we all understood your point, Bob

[1]<Bobbin Threadbare> this fc alreadybigger than my old one

[1]<Bobbin Threadbare> but I still can manage to save up lots of credits there

[1]<Inzoum Zimia> We're definitely hearing your opinion on this, and we've adapted our use of FC buffs in order to put us back on the rise

[1]<Hale Storm> members numbers yes, activity no

[1]<Ezzy Sam> i'm kinda agree with the saving, but with some info saying need 1m credits for ship... that really need take effect

[1]<Bobbin Threadbare> I think for fc this big, there would be more savings

[1]<Inzoum Zimia> but we've been doing things a certain way, with a certain set of values in mind for a long time

[1]<Bobbin Threadbare> lol it's still rumour tho. but 1 mil actually not really big a deal to me

[1]<Nylinna Nyhila> Kami, Scar, any opinion about that?

[1]<Inzoum Zimia> while you can expect us to reach a compromise on the matter, and I think we have, you can't expect us to drop everything cold turkey

[1]<Bobbin Threadbare> lol

[1]<Hale Storm> leave my demon turkeh out of this!

[1]<Inzoum Zimia> as long as we're on the rise, it's fine

*Ezzy Sam gently pats Hale Storm.*

*Hale Storm's eyes brim over with tears.*

[1]<Kami Kaze> i dont thinnk 270k is a small number some fc dont even have 100k does that means they cant survive in HW?

[1]<Nyli Na Nyhila> ok my opinion on this

[1]<Bobbin Threadbare> well... let me ask u all this: did u feel your progression in this current version are really fast? or just so-so?

[1]<Nyli Na Nyhila> there is no reason to stack up on FC credit as we don't have a specific goal for them and atm we don't

[1]<Inzoum Zimia> FC progression? very fast

[1]<Hale Storm> fast, for the lil time i can play these days

[1]<Bobbin Threadbare> IMO, we have been already blessed with so much options ^^

[1]<Scar Undutchable> sorry brb wc

[1]<Inzoum Zimia> FC rank is not based on stashed credits, but on lifetime earned credits

[1]<Nyli Na Nyhila> Gondwana provides services to its members and FC buffs is part of this

[1]<Bobbin Threadbare> xp alone for example, on all class, we already been given bonusses

[1]<Bobbin Threadbare> no, i'm talking about globally, not just fc alone

[1]<Inzoum Zimia> what I feel about my own progression doesn't matter, Bob

[1]<Nyli Na Nyhila> if we feel the need to limit the use of the fc credits, we'll do it

[1]<Nyli Na Nyhila> but based on FACTS, not based on speculations/rumors

[1]<Bobbin Threadbare> which comes to the point on stuff like fc buff spending, i think some of them are not really necessary

[1]<Inzoum Zimia> but Gondwana was built with certain values, one of which being not withholding a service to a member based on speculation or assumptions

[1]<Nyli Na Nyhila> some are less necessary than others indeed

[1]<Hale Storm> credits will increase alot for HW, we will all do content, leveling new classes & do quests. so it will rise fast, in which this period we should save up on using buffs, like Bob suggests. and focus on aetherial wheel & use food for extra benefits. instead of using too many fc buff credits etc

[1]<Kami Kaze> right now there r some buff can stop using

[1]<Inzoum Zimia> stashing for the sole sake of stashing when others can benefit from it is a waste

[1]<Bobbin Threadbare> the earlier suggestion for making food was great one tho

[1]<Nyli Na Nyhila> but we provide services to everyone, we don't have a specific focus, so you need to provide a variety of binuses

[1]<Inzoum Zimia> also, le t me ask you one thing

[1]<Kami Kaze> idk this one using right now is kinda useless

[1]<Inzoum Zimia> IF it turns out that Heavensward does NOT introduce any new uses for FC credits

[1]<Inzoum Zimia> what then?

[1]<Hale Storm> well, we can start save up. and once HW is out we can see / determine what we can use/ have to spend etc. so saving is a good plan. until we know for sure

[1]<Scar Undutchable> back

[1]<Inzoum Zimia> keep stashing in case the next expansion does?

[1]<Nylina Nyhila> GC credits are useful Kami

[1]<Nylina Nyhila> for people working on their zodiac for example :P

[1]<Bobbin Threadbare> well... yoshi himself already envisioned big things with fc, I still like to believe that

[1]<Nylina Nyhila> or lucis

[1]<Bobbin Threadbare> and right now, 2.0 content for fc still kinda small IMO

[1]<Inzoum Zimia> hedidn't explicitly say big things with FC credits though

[1]<Inzoum Zimia> until he does, I see no reason to hold back

[1]<Nylina Nyhila> anyway

[1]<Bobbin Threadbare> Still.. I think it's better saving, at least until certain treshold that we all agreed

[1]<Inzoum Zimia> if it comes to it, we can always adapt our consumption severely when we have a clear goal

[1]<Kami Kaze> bobbin its more like a FC project than spending FC credit

[1]<Inzoum Zimia> yes, and I agreee we should raise the threshold

[1]<Nylina Nyhila> as noomy says, with heavensward, there will be more activity, the FC credit will increase

[1]<Bobbin Threadbare> I;m not saying we're trying to be cheapskate. lol

[1]<Inzoum Zimia> this is the part where we listen to your opinion and make compromises

[1]<Inzoum Zimia> but I'm not going to cut everything until we have 5 million credits just in case

[1]<Bobbin Threadbare> my goal atm is 1 mil credit. but I think currently, 500k or 300k limit shud suffice for now

[1]<Hale Storm> lol, well...

[1]<Inzoum Zimia> not without a valid goal that justifies stashing so much at the expense of a service to our members

[1]<Nylina Nyhila> and we will help people leveling by all the possible means, including fc buffs, but if needed, we will use them with parcimony to achieve what we need to achieve with FC credit

[1]<Bobbin Threadbare> well... service can be delivered though other means tho

[1]<Hale Storm> question does aetherial wheel cost any FC credits to create/use etc?

[1]<Bobbin Threadbare> nope

[1]<Nylina Nyhila> 1 mil credit :P lol no, let's wait for heavensward before deciding of raising the min :limit

[1]<Hale Storm> good

[1]<Bobbin Threadbare> it's free

[1]<Inzoum Zimia> no noomy

[1]<Hale Storm> so exp bonus can come from rest / food

[1]<Kami Kaze> there is no way to determine what to do with the FC credit unless we have all the information about HW

[1]<Nylina Nyhila> no aetherial wheels will be a good way to save them

[1]<Hale Storm> save other bonuses for aetherial wheel

[1]<Nylina Nyhila> exactly Kami : let's wait for heavensward

[1]<Bobbin Threadbare> unfortunately wheel only can produce level 1 buffs

[1]<Kami Kaze> no lets wait for E3

[1]<Nylina Nyhila> also

[1]<Bobbin Threadbare> lol

[1]<Bobbin Threadbare> still... I think we shud decide on credit treshold for time being

[1]<Scar Undutchable> when they lauch again ?

[1]<Kami Kaze> live letter will be on E3

[1]<Inzoum Zimia> for now, pretty sure HW will have multi-slots tables and tables for Grade II wheels

[1]<Kami Kaze> 16-18i think

[1]<Nylina Nyhila> ok, let's at the very least wait for the next live letter

[1]<Bobbin Threadbare> shud decide sooner, don't wait for confirmation

[1]<Hale Storm> will be enough, i barely even have use for FC buffs anyway, most of the fc members are experienced with most things up until now anyway, if we cut back on fc buffs no, there wont be much loss anyway.

[1]<Bobbin Threadbare> yep

[1]<Nylina Nyhila> or HW, if we don't get more info on the liveletter

[1]<Bobbin Threadbare> i fell alot of buffs kinda wasted anyways. lol

*Ezzy Sam nods to Hale Storm.*

[1]<Bobbin Threadbare> \*feel

[1]<Nylina Nyhila> we've been cutting on fc buffs for one month noomy

[1]<Ezzy Sam> yea from 2 to 1

[1]<Hale Storm> but even if we cut back on buff, we still need to do stuff we gain credits from, like leveling clear content etc, from what i've seen, the best thing to do this is by doing it on mules

[1]<Nylina Nyhila> and we'll continue before heavensward

[1]<Hale Storm> cutting , i mean not use for 1-2 weeks

[1]<Nylina Nyhila> and from lvl 2 to lvl 1 ezzy

*Ezzy Sam smiles at Nylina Nyhila.*

[1]<Nylina Nyhila> no need to not use them

[1]<Inzoum Zimia> guys

[1]<Inzoum Zimia> we can still use 1x grade 1 buff and STILL be on the rise

[1]<Bobbin Threadbare> another thing: by doign better management on credits, you can even use rank 2 buffs instead of rank 1. That's also another reason. :)

[1]<Nylina Nyhila> theyu don't cost that much, especially with the aetherial wheel

[1]<Inzoum Zimia> can we leave it at that?

[1]<Hale Storm> idm

[1]<Bobbin Threadbare> using rank 2 and didn't feel wasting too much  
[1]<Bobbin Threadbare> \*much  
[1]<Nylinna Nyhila> yes inzy  
[1]<Nylinna Nyhila> heavensward now  
[1]<Hale Storm> i have 1 question thou  
[1]<Nylinna Nyhila> yes Noomy?  
[1]<Bobbin Threadbare> can i continue? there's more tho  
[1]<Hale Storm> is there a limit on FC credits? rank?  
[1]<Bobbin Threadbare> none that i can think of atm  
[1]<Kami Kaze> rank 8 and no limit  
[1]<Nylinna Nyhila> rank yes, credit, probably  
[1]<Hale Storm> try summarize it short boob  
[1]<Inzoum Zimia> none that's been reached by any FC  
[1]<Hale Storm> k  
[1]<Hale Storm> bob = boob  
[1]<Bobbin Threadbare> IMO, travelling has been the source of biggest expense to any players  
[1]<Bobbin Threadbare> I got the feeling that HW will require lots more travelling fee since Yoshi did say area is 2x bigger than ARR  
[1]<Nylinna Nyhila> we'll get to that Bob, if we need to save money, which could be the case  
[1]<Kami Kaze> i rarely leave the house  
[1]<Hale Storm> don't forget flying mounts atleast double movement speed  
[1]<Bobbin Threadbare> this is another reason why I wanna suggest heavily on saving credits for telebuffs  
[1]<Bobbin Threadbare> yeah i know  
[1]<Bobbin Threadbare> but again, 2x bigger area  
[1]<Nylinna Nyhila> well, this will be taken into consideration ofc  
[1]<Inzoum Zimia> I use free teleport, return and favoured teleports 99% of the time, my teleport budget is immensely (IMMENSELY) overshadowed by a single DR: Expert's Gil income. Weekly  
[1]<Bobbin Threadbare> well... that's that. think I've said what I need to say. :)  
[1]<Nylinna Nyhila> with heavensward, we'll need 1) to lvl 2) to travel (to follow the main story quests)  
[1]<Inzoum Zimia> aka I use less than 4500 gil in teleport a week  
[1]<Kami Kaze> now here is the problem  
[1]<Hale Storm> r0  
[1]<Bobbin Threadbare> haha inzy, that may be the case for u, but some of my friends did have trouble with it  
[1]<Hale Storm> rb0  
[1]<Bobbin Threadbare> so i think it's quite important to take this into consideration  
[1]<Nylinna Nyhila> so yes, with heavensward, the priority will be given to DoWoM exp bonus first  
[1]<Hale Storm> or what was it called? deathwarp?  
[1]<Nylinna Nyhila> then to DoLoH

[1]<Nylinna Nyhila> teleport buff could indeed be helpfull at one point

[1]<Kami Kaze> will most of the ppl work on MS right the way or lvl new job?

[1]<Nylinna Nyhila> we used to call that bloodwarp in FFXI on our server

[1]<Bobbin Threadbare> actually... I got the feeling that experience part will be given quite beneficially, like ARR did

[1]<Hale Storm> > jobs

[1]<Bobbin Threadbare> lol i know ny, i kinda hate using it tho. lol

[1]<Hale Storm> > furnitures XD

[1]<Nylinna Nyhila> I will focus on the story first, then lvl other jobs than brd

[1]<Inzoum Zimia> we don't know the 51-60 exp curve yet

[1]<Nylinna Nyhila> I agree with bob

[1]<Bobbin Threadbare> think most of us will, ny :)

[1]<Inzoum Zimia> it might be much easier or much harder than we expect

[1]<Nylinna Nyhila> i hink new story quest will give exp

[1]<Hale Storm> ya but there's no exp loss here, just gear dmg

[1]<Nylinna Nyhila> think\*

[1]<Nylinna Nyhila> yes noomy

[1]<Inzoum Zimia> neew story wuests will give exp and it's been confirmed that current level 50+ dungeons will give exp as well

[1]<Bobbin Threadbare> but judging on how ARR main story goes with arcanist class introduced, it was quite easy to cap level it.

[1]<Nylinna Nyhila> depends on how much ppl play Bob

[1]<Bobbin Threadbare> so i figure there would be no different with HW, might even be much better since we have 3 xtra new jobs

[1]<Hale Storm> ppl gonna play the hell out of HW :P

[1]<Nylinna Nyhila> we'll halp with FC buffs for new jobs, that has been settled

*Ezzy Sam nods to Hale Storm.*

[1]<Inzoum Zimia> you can get your first 2-3 levels post 50 from running the dungeons up to steps of faith

[1]<Hale Storm> HALP !

*Hale Storm laughs.*

[1]<Bobbin Threadbare> lol maybe, maybe not, noomy XD

[1]<Nylinna Nyhila> ALSO

[1]<Nylinna Nyhila> REMINDER

[1]<Kami Kaze> Um...how about this first 2 weeks exp buff and teleport fee reduce?

[1]<Nylinna Nyhila> Kami will work on the new FC buffs schedule

[1]<Ezzy Sam> yes pls

[1]<Nylinna Nyhila> exactly Kami

[1]<Bobbin Threadbare> sounds good

[1]<Kami Kaze> but one which day?

[1]<Kami Kaze> on\*

[1]<Bobbin Threadbare> btw, still need to decide credit treshold though

[1]<Nylina Nyhila> nope

[1]<Nylina Nyhila> back to 2 FC buffs except if we learn we have to save them

[1]<Kami Kaze> i mean on which day

[1]<Ezzy Sam> how bout lvl 2 on first week? and 2nd week lvl1 on week days?

[1]<Kami Kaze> early access or official?

[1]<Hale Storm> sounds good

[1]<Ezzy Sam> early access on

[1]<Nylina Nyhila> how many ppl will get early access

[1]<Bobbin Threadbare> I have it

[1]<Ezzy Sam> is there people without early acces....

[1]<Hale Storm> do both, rank 2 on Early access, same for Official, then next day rank 1's

[1]<Nylina Nyhila> Inzy and I have it but we won't be there

[1]<Scar Undutchable> i even not bought the game yet

*Hale Storm: naughty scar XD*

[1]<Ezzy Sam> but u r buying it eventually :)

*Nylina Nyhila: /comfort Scar*

[1]<Inzoum Zimia> here's what I propose Bobbin: 200k credits minimum for now as we'll be rushing HW content early and will do a big boost on FC buffs for a while, then we can work up to something like 500k minimum progressively

*Ezzy Sam pokes Scar Undutchable.*

[1]<Scar Undutchable> well on 10th june

[1]<Hale Storm> ya i doubt we even get below 230k credits

[1]<Nylina Nyhila> i'mm good with that inzy... and i insist on the "progressively" part :P

[1]<Bobbin Threadbare> ok. that sounds good :)

[1]<Bobbin Threadbare> lol it's ezzy if u don't watch ur spending, noomy. XD

[1]<Inzoum Zimia> that's an immediate increas over our previous 100k threshold and a greater objective for the future

[1]<Nylina Nyhila> and kami will list the new buffs and propose a new schedule

[1]<Ezzy Sam> @. @

[1]<Nylina Nyhila> so

[1]<Inzoum Zimia> but as long as our FC credit income is increasing, we shouldn't cut our use of buffs entirely, 1x grade 1 buff is fine

[1]<Nylina Nyhila> let's continue on the heavensward topic please

[1]<Bobbin Threadbare> lol 100k was ur previous treshold? so small ^^;

[1]<Hale Storm> :p

[1]<Kami Kaze> 130k was the lowest

[1]<Nylina Nyhila> I'd like to go back to scheduling events : let's make sure everybody clears the new dungeons and has access to dr expert

[1]<Bobbin Threadbare> nope. think i caught a 5 digit credit back when I 1st join here. lol

[1]<Ezzy Sam> just wandering if fc lvl up gonna need credits...

[1]<Kami Kaze> that was when eden incharge

[FC]<Nylinna Nyhila> No kami, we got once below 100k I think

[FC]<Nylinna Nyhila> ooop mt :P

[FC]<Bobbin Threadbare> wrong channel. lol

[1]<Hale Storm> progress requires sacrifices

[1]<Nylinna Nyhila> No kami, we got once below 100k I think

[FC]<Kami Kaze> bad nyli

[FC]<Nylinna Nyhila> <- MT QUEEN

[1]<Bobbin Threadbare> yeah, like 50k iirc. lol

*Hale Storm curses the Twelve.*

[FC]<Cleubond Aurifort> Hello!

[FC]<Inzoum Zimia> 100k beheaded members is a small number for a tyranic empire of evil like ours

[FC]<Inzoum Zimia> mt

[1]<Nylinna Nyhila> lol nope, never that low bob

*Hale Storm slaps you.*

[FC]<Kami Kaze> bad inzy

[1]<Bobbin Threadbare> gotta admit Ny, I did kinda shocked when I saw that. lol

[1]<Nylinna Nyhila> just below and then we decided to save them more seriously ;)

[FC]<Ezzy Sam> lol wtf..

*Hale Storm feeds the fledgling dodo.*

[1]<Bobbin Threadbare> but as newcomer back then, i didn't say much. lol

[1]<Inzoum Zimia> let's move on from the fc credits topic

[1]<Bobbin Threadbare> lol k

[FC]<Nylinna Nyhila> LOL

[1]<Nylinna Nyhila> bob, we provide services, I believe not all the fc do that :P

*Hale Storm: my ass is too small for this couch*

[1]<Nylinna Nyhila> and yes, let's move on ;)

*Hale Storm: and i have a great ass*

[1]<Nylinna Nyhila> so heavensward!!!!

*Hale Storm lets out a cheer.*

*Kami Kaze: u want a replacement for american ass?*

*Hale Storm: fck no, nordic ass! the best ass in the world!*

*Hale Storm: anyhoo, go ahead ny lol*

[1]<Nylinna Nyhila> priority : make sure everyone has dr expert access

*Scar Undutchable: or a dutch sugar ass*

[1]<Nylinna Nyhila> help people progress

*Hale Storm consoles Scar Undutchable.*

[1]<Nylinna Nyhila> and gear up

[1]<Bobbin Threadbare> u mean everyone in fc right?

[1]<Kami Kaze> thats hard with 8 dungeons

*Ezzy Sam staggers.*

[1]<Inzoum Zimia> everyone in Masamune

[1]<Nylina Nyhila> let's give the priority to run dungeon and fates together

[1]<Ezzy Sam> give me 1 day :)

[1]<Nylina Nyhila> yes Bob

[1]<Nylina Nyhila> and FC members have the priority ofc

[1]<Bobbin Threadbare> darn. S so close with aetherite. lol

[1]<Nylina Nyhila> :P

[1]<Bobbin Threadbare> i'm not going tho XD

[1]<Nylina Nyhila> also

[1]<Nylina Nyhila> i'd like to schedule a FC picture in Ishgard last weekend of june or first weekend of July

[1]<Inzoum Zimia> that would be nice

[1]<Nylina Nyhila> that's always a good symbol ;)

[1]<Bobbin Threadbare> kewl

[1]<Nylina Nyhila> with the new people joining the game

[1]<Nylina Nyhila> back to recruitment

[1]<Nylina Nyhila> please shout recruitment in new areas

**Nylina Nyhila: Thunder from Down Under? American Assassin? European Exterminator? Asian Annihilator?**

**Nylina Nyhila: GONDWANA is searching for more fun, friendly & fierce «GFolk» for our Global Free Company | <http://gondwana.cc>**

[1]<Nylina Nyhila> just an example

**Inzoum Zimia: Where is the love? GONDWANA | Where is the fun? GONDWANA | Why aren't we wearing clothes? GONDWANA | Come and join the fun, friendly & fierce «GFolk» | <http://gondwana.cc>**

[1]<Ezzy Sam> i dont think new people will be there...

**Inzoum Zimia: Enjoy a global playerbase? GONDWANA is a fun, friendly & fierce Free Company. Our name reflects our diversity of culture and playstyle. Join the «GFolk» | <http://gondwana.cc>**

[1]<Nylina Nyhila> you can find some other on the website, and fee free to create your own ofc

[1]<Bobbin Threadbare> can I be excuse for that? I don't feel like competing with my old fc tho. ^^;

[1]<Nylina Nyhila> some people joined the game recently

[1]<Nylina Nyhila> we can start now

[1]<Inzoum Zimia> of course, new players won't be in ishgard, they'll be in ARR areas

**Kami Kaze: Are you alone?free companyDo you need it?I don't have anything to give you.**

*Ezzy Sam pokes Kami Kaze.*

*Nylina Nyhila slaps Kami Kaze.*

[1]<Nylina Nyhila> and we can shout in Mor Dhona too

[1]<Inzoum Zimia> don't let Tea Company or Distant World grab all the new kids

[1]<Bobbin Threadbare> I let u guys do that. ^^;

[1]<Bobbin Threadbare> lol

[1]<Nylinna Nyhila> regarding to alexander, maybe we should ask in the fc who could be interested in running it?

[1]<Bobbin Threadbare> i think DW reached their limit. lol

[1]<Bobbin Threadbare> u mean the server?

[1]<Inzoum Zimia> didn't they start a second one?

[1]<Scar Undutchable> im sorry guys im going to do some shopping before i burned to death in this weather see you guys later

[1]<Nylinna Nyhila> well Bob, please make an effort if possible, you've been in Gondana for months now

[1]<Nylinna Nyhila> see you scar

*Ezzy Sam waves to Scar Undutchable.*

[1]<Nylinna Nyhila> and you're a leader :P

**Scar Undutchable has logged out.**

[1]<Bobbin Threadbare> catch u later scar ^^

[1]<Bobbin Threadbare> haha

[1]<Nylinna Nyhila> I don't think anyone will hold grudge

[1]<Bobbin Threadbare> I'm also officer/leader in previous fc tho. just didn't feelcomfy, that all ^^

[1]<Nylinna Nyhila> also Inzy, no, teaCo won't recruit ppl

[1]<Bobbin Threadbare> and I was in charge of that fc credit too. LOL

[1]<Nylinna Nyhila> but HOME might :P

[1]<Nylinna Nyhila> why am i not surprised, Bob? :P

[1]<Bobbin Threadbare> lawl

*Ezzy Sam laughs at the puff of darkness.*

[1]<Nylinna Nyhila> so, alexander : let's try to build 1/2 FC static for that?

[1]<Bobbin Threadbare> ah... that

[1]<Kami Kaze> thats hard

[1]<Nylinna Nyhila> should we start a thread on the website?

[1]<Bobbin Threadbare> agreed, it's not ezzy. lol

[1]<Inzoum Zimia> yeah, new raid, new static opportunities

[1]<Nylinna Nyhila> well, at the start of the coil, it was easy because we were more or less at the same stage

[1]<Ezzy Sam> its ezzy... becoz ezzy hate coil... COIL HARD

[1]<Nylinna Nyhila> it became difficult later

[1]<Kami Kaze> lol

[1]<Bobbin Threadbare> I have to admit that I don't really have much energy for that big dedication even for coil alone

[1]<Bobbin Threadbare> lawl

[1]<Nylinna Nyhila> well, let's start with one, we almost have it :P

[1]<Ezzy Sam> coil make me leave the game last time....

[1]<Kami Kaze> coil is ezzy

[1]<Bobbin Threadbare> lawl

[1]<Nylinna Nyhila> I'm not forcing anyone into Amexander

[1]<Kami Kaze> see even scar and noomy cleared T9

*Ezzy Sam agrees wholeheartedly with Kami Kaze.*

[1]<Nylinna Nyhila> but some people could be interested

[1]<Bobbin Threadbare> i haven't. lol

[1]<Nylinna Nyhila> and me :P

[1]<Nylinna Nyhila> and ezzy ;)

[1]<Ezzy Sam> i got carried too :)

[1]<Bobbin Threadbare> think i lose interest more and more. lol

[1]<Nylinna Nyhila> I wasn't carried :P

*Ezzy Sam claps for Nylinna Nyhila.*

[1]<Nylinna Nyhila> but I was lucky :P

[1]<Bobbin Threadbare> might even take until 4.0 for me to clear coil. lol

[1]<Kami Kaze> u no coil has side story?

[1]<Nylinna Nyhila> I didn't get the first DB, i would have failed to place it :P

[1]<Nylinna Nyhila> anyway

[1]<Ezzy Sam> youtube

[1]<Bobbin Threadbare> coil has, it's about old louie

[1]<Bobbin Threadbare> i really miss that old geezer hanging around in grid ^^;

[1]<Nylinna Nyhila> I think several people (Lamia, Asbel, Ryner, etc. could be interested in running alexander)

[1]<Bobbin Threadbare> now that he's permanently gone ; ;

[1]<Hale Storm> coild will get easier, nothing to worry about

[1]<Inzoum Zimia> you mean with naked carpenters and random classes around him?

[1]<Nylinna Nyhila> let's just ask them :P

[1]<Bobbin Threadbare> lol realy inzy?

[1]<Hale Storm> alexander will have 2 modes i think so it should be fairly ok to clear

[1]<Nylinna Nyhila> I agree with Noomy

*Ezzy Sam nods to Hale Storm.*

[1]<Nylinna Nyhila> I(m not talking about the savage mode ofc

[1]<Inzoum Zimia> people would switch to a low level class to turn in primal quests, always full of people droppingtheir pants for old Louie

[1]<Hale Storm> lol wtf

[1]<Bobbin Threadbare> oh yeah. i forgot that. lol

[1]<Kami Kaze> u no high chance there will be lvl cap on coil so it wont be any easier

[1]<Bobbin Threadbare> lmao

[1]<Hale Storm> ofc

*Ezzy Sam seems lost in thought.*

[1]<Bobbin Threadbare> that did really brings memories XD

[1]<Nylinna Nyhila> does anyone has anything to add about heavensward? (about the fact it will be awesome)

[1]<Inzoum Zimia> I dunno Kami, they're also adding a DF mode with all restrictions lifted for easy clear

[1]<Inzoum Zimia> available on all ARR content

[1]<Hale Storm> but new class skills will mess up the fight tactics, and most likely make it even easier. just imagine tank sacrificing all dem lalas to win

[1]<Kami Kaze> that only works if u r not in full pt

[1]<Inzoum Zimia> I'd assume that also includes coil

[1]<Nylinna Nyhila> LOL Noomy

[1]<Bobbin Threadbare> i'm not sure about the awesomeness, ny, especially after I heard the new theme song. lol

[1]<Hale Storm> want t9 win? bring your lala's!

[1]<Nylinna Nyhila> lol

[1]<Inzoum Zimia> no, it allows entering with a partial party, but you could check the box even with a full party

[1]<Bobbin Threadbare> and finally tested benchmark in dx11. not really special. lol

[1]<Nylinna Nyhila> no, seriously, anything to add about heavensward so we can move to the last topic?

[1]<Ezzy Sam> dx11 make me pc go whack...

[1]<Inzoum Zimia> no, move on

[1]<Bobbin Threadbare> none i can think of

[1]<Hale Storm> define HW topic plz?

[1]<Nylinna Nyhila> ...

[1]<Inzoum Zimia> topic related to heveansward content or areas, Noomy

[1]<Bobbin Threadbare> things that noomy hates from HW? lol

[1]<Hale Storm> ah

[1]<Kami Kaze> HW = everyone become LOLDRG

[1]<Hale Storm> um

*Ezzy Sam nods to Kami Kaze.*

[1]<Nylinna Nyhila> :P

[1]<Nylinna Nyhila> ok i guess we can move on

[1]<Bobbin Threadbare> anyways, let's move on. might have to leave soon tho

[1]<Nylinna Nyhila> last topic

[1]<Hale Storm> well i got nothing tam, i cant remember all the upcoming content anyway

[1]<Hale Storm> atm\*

[1]<Nylinna Nyhila> Big House? yes or no?

[1]<Inzoum Zimia> like "what to do when you always end up matched with 2x dark knight, 2x astrologian and 3x machinist parties"

[1]<Hale Storm> no

[1]<Bobbin Threadbare> no. lol

[1]<Hale Storm> no, not yet

[1]<Nylina Nyhila> just think about it

[1]<Kami Kaze> not yet is not an option

[1]<Bobbin Threadbare> don't have enuff reason to switch bigger house

[1]<Hale Storm> im pretty sure they will do something unsual with housing, maybe even house trading / upgrading, so we might not even have to do much to get a new house

[1]<Ezzy Sam> im more on yes... but as long no budget... its a nay

[1]<Inzoum Zimia> I recommend you hear Nyli out on this one, we have a solid plan for budgeting this

[1]<Nylina Nyhila> I guess some ppl thought my proposition was because Noomy mentioned that during previous meeting but nope

[1]<Hale Storm> oh there's a good reason bob, i want more space to fill

[1]<Nylina Nyhila>

[https://docs.google.com/a/gondwana.cc/spreadsheet/ccc?key=0Ak4cQdRALO57dE54aW1BYUhIQW03d0pSTM8zRIFFU2c&usp=drive\\_web#gid=27](https://docs.google.com/a/gondwana.cc/spreadsheet/ccc?key=0Ak4cQdRALO57dE54aW1BYUhIQW03d0pSTM8zRIFFU2c&usp=drive_web#gid=27)

[1]<Bobbin Threadbare> lol she ask yes or no before giving reasons.

[1]<Nylina Nyhila> I've started to think about it

[1]<Nylina Nyhila> that was the title pf next topic, not the question, let me speak :P

[1]<Nylina Nyhila> big house have several advantages

[1]<Ezzy Sam> alot\*

[1]<Kami Kaze> more water bed lol

*Hale Storm nods.*

[1]<Nylina Nyhila> abd the more we'll get housing features, the greater will be the gap between big and medium house

[1]<Nylina Nyhila> so if we want to change house, we'd better to do it ealier that later

[1]<Nylina Nyhila> than\*

[1]<Hale Storm> indeed

[1]<Inzoum Zimia> Basically, we could swallow the pill right now, or wait for a bigger pill to swallow later

[1]<Kami Kaze> we need to ask every room owner first

[1]<Hale Storm> but new housing zone wont be available at start i think they said

[1]<Nylina Nyhila> yes Kami, just let me speak first please

[1]<Ezzy Sam> im ok to destroy mer room, me wan bigger hourse with BIGGER SHIP<<<--- most important

*Hale Storm nods.*

[1]<Inzoum Zimia> there are still large plots available in subsections here Noomy, including one large plot in Ward 1 subsectuion, where my private house is

[1]<Nylinna Nyhila> i'm not talking about new housing zone, there are still big plots here

[1]<Bobbin Threadbare> already saw ur proposal. I would say we wait n see how things goes maybe?

[1]<Nylinna Nyhila> guys...

[1]<Hale Storm> we will bob

[1]<Nylinna Nyhila> how many times will I have to ask you to let me speak? :P

[1]<Hale Storm> lol

[1]<Bobbin Threadbare> lol sorry. go on

[1]<Nylinna Nyhila> ty

*Hale Storm grovels shamelessly.*

[1]<Nylinna Nyhila> so

*Ezzy Sam put a tape on her face*

[1]<Kami Kaze> just say it we will read eventually

[1]<Nylinna Nyhila> big house have several advantages and it will increase in the future

*Dark Lance has logged out.*

[1]<Nylinna Nyhila> but ofc I don't want to put people under too much pressure

[1]<Nylinna Nyhila> i've linked the tala table address

[1]<Nylinna Nyhila>

[https://docs.google.com/a/gondwana.cc/spreadsheet/ccc?key=0Ak4cQdRALO57dE54aW1BYUhIQW03d0pSTm8zRIFFU2c&usp=drive\\_web#gid=27](https://docs.google.com/a/gondwana.cc/spreadsheet/ccc?key=0Ak4cQdRALO57dE54aW1BYUhIQW03d0pSTm8zRIFFU2c&usp=drive_web#gid=27)

[1]<Nylinna Nyhila> here you'll find a list of what we would loose, on what we would have to rebuilt

[1]<Nylinna Nyhila> i'm aware of the loss this medium house would represent if we change house

[1]<Nylinna Nyhila> bur 43 millionsn knowing w already have 12 seems achievable

[1]<Nylinna Nyhila> also, we have more ways to earn money (including selling vegetables :P)

[1]<Nylinna Nyhila> What i would like to do is, with leader's consent :

*Hale Storm hurls something at the fledgling dodo.*

[1]<Nylinna Nyhila> a survey which would also be a "donation promises form"

[1]<Nylinna Nyhila> organize something like a crowdfunding project

[1]<Nylinna Nyhila> asking for promises then collect the gils when we see the goal is reachable

[1]<Bobbin Threadbare> sounds fun

[1]<Nylinna Nyhila> what do you think?

[1]<Ezzy Sam> donate 1m per day? :P

[1]<Nylinna Nyhila> μ

[1]<Bobbin Threadbare> errr. wait. how that works?

[1]<Nylinna Nyhila> lol

[1]<Nylinna Nyhila> well

*Ryan Richie has logged in.*

[1]<Hale Storm> kills ezzy, turns in ezzy's gil

[1]<Ezzy Sam> lolx

[1]<Bobbin Threadbare> agreed! kami donate 1 mil per day. lol

[1]<Hale Storm> aprroved

[1]<Nylinna Nyhila> we'dd add a progress bar on the website or something similar  
[1]<Bobbin Threadbare> XD  
[1]<Nylinna Nyhila> and  
[1]<Kami Kaze> i dont even have 1 mil  
[1]<Bobbin Threadbare> lies. lol  
[1]<Hale Storm> but u close to it  
[1]<Nylinna Nyhila> I would incite people by giving rewards  
[1]<Kami Kaze> i had ss as prove  
[1]<Nylinna Nyhila> example of rewards :  
[1]<Bobbin Threadbare> u mean photoshopped? lol  
[1]<Hale Storm> sounds like a good idea  
[1]<Inzoum Zimia> much like kickstarter, higher contributions would provide greater rewards  
[1]<Nylinna Nyhila> the sleipnir mount for the 1st 3 ppl who give 5 millions  
[1]<Hale Storm> but we shouldnt ask for too much  
[1]<Bobbin Threadbare> i c  
[1]<Bobbin Threadbare> that's quite interesting  
[1]<Kami Kaze> Um...whens the deadline for getting the house?  
[1]<Bobbin Threadbare> o yeah  
[1]<Nylinna Nyhila> 1 minion or a seasonal item for the 1st 10 ppl who give a million  
[1]<Hale Storm> we have too keep an eye out on the market on a daily basis  
[1]<Hale Storm> for all we know we might be able to upgrade house from medium to large, wwith little money loss  
[1]<Nylinna Nyhila> 2 lmetallic dyes for those who give 0.5 millions  
[1]<Hale Storm> just a note to consider  
[1]<Nylinna Nyhila> where did you hear that Noomy?  
[1]<Bobbin Threadbare> also, i just remembered one thing tho: where u guys planning to get big house from? still mist or other regions?  
[1]<Inzoum Zimia> don't think that will happen (upgrade from M to L)  
[1]<Nylinna Nyhila> still here bob  
[1]<Hale Storm> i read somewhere houses can be upgraded, there's not many ways they can do this but by trading  
[1]<Bobbin Threadbare> oh...  
[1]<Nylinna Nyhila> upgradd yes, but not change the plot i think  
[1]<Bobbin Threadbare> ny, did u consider the option from other region too?  
[1]<Inzoum Zimia> that was their initial plan for housing prior to its introduction, Noomy  
[1]<Bobbin Threadbare> i c  
[1]<Hale Storm> houses can be expanded on horizontal, but, diagonal is another thing  
[1]<Hale Storm> cant be\*  
[1]<Inzoum Zimia> they've mentionned already that these plans were dropped in favour of the current "you lose everything" system

[1]<Nylinna Nyhila> actually not : it has been decided long ago that Gridania would be our home  
[1]<Hale Storm> maybe  
[1]<Hale Storm> remember furnitures can be stored on NPC if left / kicked from FC or w/e  
[1]<Bobbin Threadbare> well... it's just that economically, housing placement could affect one's expenses  
[1]<Hale Storm> that might appli to non removable furnitures too  
[1]<Nylinna Nyhila> no noomy  
[1]<Nylinna Nyhila> they'd be lost  
[1]<Inzoum Zimia> non removable furniture is lost  
[1]<Hale Storm> maybe  
[1]<Hale Storm> ppl told me i can leave map boundries, i have  
[1]<Bobbin Threadbare> for example. my old fc located @ goblet, and I did felt that my travel expenses was cut off quite many :)  
[1]<Hale Storm> i cant\*  
[1]<Nylinna Nyhila> lol Noomy  
[1]<Inzoum Zimia> yeah but oblet sucks  
[1]<Bobbin Threadbare> there's also limsa which has great ocean view XD  
[1]<Inzoum Zimia> Goblet is the worst XDF  
[1]<Bobbin Threadbare> lol not really  
[1]<Bobbin Threadbare> I picked the view on beautiful valley XD  
[1]<Nylinna Nyhila> Goblet is aweful to travel in :P  
[1]<Hale Storm> goblet have some nice spots, except near that fckn windmill  
[1]<Inzoum Zimia> anyway, there are plots available on subsections here in Gridania  
[1]<Hale Storm> did u know each housing zone has 2 diffrent types of placements?  
[1]<Nylinna Nyhila> 'm not in favour of changing housing zone, gridania has always been our home  
[1]<Bobbin Threadbare> k  
[1]<Kami Kaze> so whens the deadline?  
[1]<Nylinna Nyhila> it has been decided a long time ago  
[1]<Hale Storm> they just turned the map around so the zones look abit diffrent  
[1]<Bobbin Threadbare> so i guess other regions are a big No then? ^^;  
[1]<Nylinna Nyhila> from me yes  
[1]<Bobbin Threadbare> i c  
[1]<Inzoum Zimia> I'm opposed to moving out of Lavender Beds  
[1]<Nylinna Nyhila> and i hope i'm not the only one :P  
[1]<Hale Storm> idc about housing zone, bigger plot yes plz  
[1]<Ezzy Sam> ^^  
[1]<Bobbin Threadbare> lol  
[1]<Ezzy Sam> big is GOOD  
[1]<Hale Storm> if within reasonable price ofc  
[1]<Nylinna Nyhila> do we all agree with the idea and the method to acquire a bigger plot?

[1]<Hale Storm> if possible, im for it

[1]<Bobbin Threadbare> which "part" ezzy? Lol

[1]<Inzoum Zimia> Kami wants to know what's our deadline for crowdfunding it

[1]<Hale Storm> lol bob

[1]<Bobbin Threadbare> sure. that sounds fun ^^

[1]<Ezzy Sam> lol

[1]<Nylina Nyhila> well, not sure we have to set a deadline too early

[1]<Hale Storm> Early august?

[1]<Nylina Nyhila> we keep the medium house as long as we don't have the donation promises

[1]<Kami Kaze> we kinda do if we want to build airship

[1]<Nylina Nyhila> we'll see how much the airship are I guess

[1]<Inzoum Zimia> if the airship yard isn't too expensive, Kami, I'll finance it myself

[1]<Inzoum Zimia> so you won't have to do without it until we finance a big house

[1]<Nylina Nyhila> Inzy said yesterday he's be ready to pay for the airship twice :P

[1]<Bobbin Threadbare> ny, did u make a thought if plots might ran out or anything? just in case

[1]<Hale Storm> will just be another door to a creepy ass basement

[1]<Inzoum Zimia> if plots run out then the project dies until new plots are added

[1]<Nylina Nyhila> new housing zone will be added bob

[1]<Bobbin Threadbare> hmm.. that might be sucks ^^;

[1]<Hale Storm> many fc houses are still unused, maybe we lucky and they actually reset some

[1]<Inzoum Zimia> they mentionned they would expand current housing areas first before they add ishgard housing

[1]<Bobbin Threadbare> o yeah, how about ishgard tho. heard there's plan for future housing, not conclusive yet tho

[1]<Nylina Nyhila> they'll be more expensive than the big plot we have here

[1]<Nylina Nyhila> plots\*

[1]<Kami Kaze> no plan in that area currently

[1]<Hale Storm> that's a good thing, ppl will sell their fc houses (no matter what size) and move, and more old zones will be free

[1]<Bobbin Threadbare> lol i'm not so sure. I, for one, hate snowy ares. lol

[1]<Bobbin Threadbare> \*snowy

[1]<Nylina Nyhila> lol Bob

[1]<Hale Storm> SNOW RULEZ!

[1]<Bobbin Threadbare> \*area

[1]<Kami Kaze> maybe u should put some clothes on

*Hale Storm slaps Bobbin Threadbare.*

[1]<Ezzy Sam> make some one pc laggy? :P

[1]<Nylina Nyhila> well I guess inzy and I will start working on the survey and on the website page asap

[1]<Bobbin Threadbare> don't tempt me XD

*Ezzy Sam bursts out laughing at Bobbin Threadbare.*

[1]<Nylinna Nyhila> but probably just after our holiday

*Ezzy Sam disagrees with Bobbin Threadbare.*

[1]<Nylinna Nyhila> I can start with the survey but we'll have to test it before sending it to the members

**Bobbin Threadbare: anymore sleazy remarks, and imma gonna lose the pants too. lol**

[1]<Bobbin Threadbare> sounds good :)

**Kami Kaze: put some skirt on**

**Hale Storm: dem harrrd nipples, looks dangerous**

**Ezzy Sam looks at Bobbin Threadbare and panics!**

*Hale Storm stares at bobs nipples.*

**Nylinna Nyhila: lol**

**Bobbin Threadbare: lol k. not good idea here. lol**

[1]<Nylinna Nyhila> does anyone have anything to add ?

*Hale Storm laughs.*

[1]<Hale Storm> yes!

[1]<Ezzy Sam> \*counting gil\*

[1]<Hale Storm> can i donate 1 gil?

[1]<Bobbin Threadbare> lawl

[1]<Ezzy Sam> u missing a b?

[1]<Kami Kaze> lol

[1]<Inzoum Zimia> quick question

[1]<Hale Storm> nu uh, 1 gil

[1]<Inzoum Zimia> what if the total amount of pledges ends up inferior to what we need?

[1]<Hale Storm> im lost

[1]<Nylinna Nyhila> then we don't go further

[1]<Inzoum Zimia> do we look for alternative funding options?

[1]<Hale Storm> pledges to what? funding?

[1]<Hale Storm> trade in underwaear?

[1]<Kami Kaze> for bobbin clothing

[1]<Nylinna Nyhila> yeah, I will send a survey and ask people how much they're ready to give

*Hale Storm bursts out laughing.*

**Bobbin Threadbare: lol u're asking for eet XD**

[1]<Nylinna Nyhila> in order to see if the purchase is doable

[1]<Inzoum Zimia> for this house's purchase, we were in a logic where people donated immediately until we had enough

[1]<Nylinna Nyhila> if we can't get 30 million gil promises : no big plot

**Bobbin Threadbare: ny i won't be making responsibilities for eet XD**

[1]<Hale Storm> im fairly sure we can find other / new methods of funding with valueable items from expansion

[1]<Kami Kaze> lets go hunt for gabe for 30mil

[1]<Hale Storm> fck gabe

[1]<Inzoum Zimia> he'd just tell us to fuck off

[1]<Nylinna Nyhila> exactly

*Ezzy Sam pokes Bobbin Threadbare.*

[1]<Hale Storm> but ya, he got a point

[1]<Bobbin Threadbare> who the heck is gabe anyways? lol

[1]<Inzoum Zimia> Gabe was our rich-as-fuck money man

[1]<Ezzy Sam> no idea...

[1]<Hale Storm> old fc friend

*Ezzy Sam laughs.*

[1]<Bobbin Threadbare> ah...

[1]<Kami Kaze> he own most of this house

[1]<Nylinna Nyhila> if the house project had not been considered as a race at the beginning, we could have waited a bit more and maybe we would have a big house now :P

[1]<Ezzy Sam> ohhh... him,

[1]<Nylinna Nyhila> lol Ezzy!

[1]<Nylinna Nyhila> you know Gabe :P

[1]<Inzoum Zimia> his participation in this house's purchase amounts to 7,281,076

[1]<Nylinna Nyhila> Gabriel Coeurdelion

[1]<Ezzy Sam> yea, thought u guys talking about npc...

[1]<Ezzy Sam> lolx

[1]<Inzoum Zimia> it's in the Talan Tables under FC Gil

[1]<Nylinna Nyhila> now Gabriel Corleonis on Tonberry

[1]<Bobbin Threadbare> ooooo... that's quite generous

[1]<Nylinna Nyhila> he wanted a house asap

[1]<Hale Storm> and some / most furnitures until i came back

[1]<Nylinna Nyhila> he wanted 1st ward at any cost

[1]<Inzoum Zimia> at this point, about half of the money invested in our house came from members who aren't even here anymore

[1]<Nylinna Nyhila> so he's the one he game the biggest amount to get it

[1]<Bobbin Threadbare> i take it gabe was once part of gw?

[1]<Nylinna Nyhila> gave\* :P

[1]<Inzoum Zimia> so most of our FC members would actualy be investing for the first and only time in a house

[1]<Bobbin Threadbare> i c

[1]<Nylinna Nyhila> yes, Gabe was one of the leaders

[1]<Nylinna Nyhila> and Eden (former master)'s best friend in game

[1]<Bobbin Threadbare> i c

[1]<Nylinna Nyhila> He left for Tonberry and Eden tehn took the decision to go there too, as he had a solution for gondwana

[1]<Nylinna Nyhila> but anyway, this is past  
[1]<Bobbin Threadbare> solution?  
[1]<Nylinna Nyhila> solution?  
[1]<Inzoum Zimia> he gave Gondwana to Nyli  
[1]<Inzoum Zimia> so he was free to leave to Tonberry  
[1]<Bobbin Threadbare> oh...  
[1]<Hale Storm> meaning trasfer lead to somone else  
[1]<Nylinna Nyhila> lol yeah :P  
[1]<Nylinna Nyhila> that solution :P  
[1]<Bobbin Threadbare> lol  
[1]<Inzoum Zimia> that's pretty much the only thing that was holding him back  
[1]<Ezzy Sam> lol i thought he quit..  
[1]<Inzoum Zimia> what would happen to this FC  
[1]<Nylinna Nyhila> nope  
[1]<Nylinna Nyhila> he's less active in game but still plays  
[1]<Ezzy Sam> his brother went with him?  
[1]<Inzoum Zimia> no, just needed a change of situation  
[1]<Inzoum Zimia> brother. Faz? lol  
[1]<Ezzy Sam> yea  
[1]<Nylinna Nyhila> he doesn't seem to have find a good new family though  
[1]<Nylinna Nyhila> Faz is his lover  
[1]<Inzoum Zimia> Faz is his boyfriend  
[1]<Ezzy Sam> lolx  
[1]<Bobbin Threadbare> ooo  
[1]<Nylinna Nyhila> they bought a house together recently ;)  
[1]<Inzoum Zimia> IRL  
[1]<Nylinna Nyhila> anyway, anything to add or can I put an end to the meeting? :P  
[1]<Hale Storm> 1 more thing  
[1]<Nylinna Nyhila> yes?  
[1]<Bobbin Threadbare> clothing optional, ny? XD  
[1]<Hale Storm> i might...Might redseign the logo  
[1]<Kami Kaze> not naked  
[1]<Nylinna Nyhila> lol  
[1]<Bobbin Threadbare> lawl  
[1]<Nylinna Nyhila> ok Noomy  
[1]<Nylinna Nyhila> I'm not against it  
[1]<Hale Storm> not sure yet, but i have some other ideas, but that's after release  
[1]<Kami Kaze> what about the FC icon contest?  
[1]<Ezzy Sam> put in a dragon? :P  
[1]<Hale Storm> in logo or icon?

[1]<Nylinna Nyhila> in august Kami  
[1]<Nylinna Nyhila> also  
[1]<Nylinna Nyhila> when are you going on holiday? I'd like to schedule a meeting in july :P  
[1]<Inzoum Zimia> yeah, FC crest we want to wait and see if new FC ranks add design features  
[1]<Inzoum Zimia> so pushing that a bit later  
[1]<Bobbin Threadbare> noomz, add ☐Coeurl Beach Briefs ☐ to logo? XD  
[1]<Kami Kaze> whos going on holiday?  
[1]<Hale Storm> pff lol  
[1]<Nylinna Nyhila> I don't know :P you maybe?  
[1]<Bobbin Threadbare> awww.... lol  
[1]<Kami Kaze> not any time soon  
[1]<Nylinna Nyhila> you went to USA last year :P  
[1]<Nylinna Nyhila> oki  
[1]<Nylinna Nyhila> everyone will be there in July then?  
[1]<Kami Kaze> that was last year  
[1]<Hale Storm> err i almost forgot  
[1]<Nylinna Nyhila> mmmh?  
[1]<Hale Storm> i might take a long leave of absence lol  
[1]<Hale Storm> or how u spell it  
[1]<Hale Storm> but i cant be sure yet  
[1]<Nylinna Nyhila> yeah, you already said that :P  
[1]<Kami Kaze> declined  
[1]<Bobbin Threadbare> permission denied. lol  
[1]<Inzoum Zimia> lol  
[1]<Hale Storm> ; ; i found a new apartment, so might be awhile b4 i get internet  
*Ezzy Sam pokes Hale Storm.*  
*Hale Storm's eyes brim over with tears.*  
[1]<Inzoum Zimia> just keep us informed  
[1]<Hale Storm> ofc  
[1]<Nylinna Nyhila> oh, I see  
[1]<Bobbin Threadbare> there's mobile conns. lol  
[1]<Inzoum Zimia> new apartment? cool!  
[1]<Nylinna Nyhila> when do you plan to move?  
[1]<Kami Kaze> just stay in eric apartment  
[1]<Bobbin Threadbare> and kewl ^^  
[1]<Hale Storm> unsure, within 1-3months depending on which of the 3 apartments i get  
[1]<Hale Storm> earliest july 1st  
[1]<Ezzy Sam> 3.... three???  
[1]<Bobbin Threadbare> i c  
[1]<Nylinna Nyhila> oki

[1]<Kami Kaze> rich bastard  
[1]<Bobbin Threadbare> lol  
[1]<Hale Storm> seeking appartment, i shown interest in 3, i can only get 1  
[1]<Hale Storm> it's points turned based  
[1]<Nylina Nyhila> lol  
[1]<Hale Storm> rich? no, but very fond of saving for things i want  
[1]<Nylina Nyhila> anything to add (relevant for the meeting I mean)?  
[1]<Hale Storm> yes! i am not Batman!  
[1]<Bobbin Threadbare> nope  
[1]<Ezzy Sam> Batgirl...  
[1]<Nylina Nyhila> ok  
[1]<Kami Kaze> Badgirl  
[1]<Nylina Nyhila> then the meeting is over!  
[1]<Nylina Nyhila> thank you all for coming :D
